

PSHE and RSE Progression Plan

By the time the children leave St Peter's School they will:

- Have a sense of responsibility for themselves and their actions.
- Become healthy, independent and responsible members of a society, who understand how they are developing personally and socially.
- Have the confidence to tackle many of the moral, social and cultural issues that are part of growing up.
- Develop values and morals in line with Christian teaching and British Values.
- Accept, respect and celebrate differences between people and be sensitive to the needs of others.
- Learn about rights and responsibilities and appreciate what it means to be a member of a diverse society.
- Make informed choices and understand their right, as individuals, to make these choices.
- Play a positive role in contributing to school life and prepare them to play an active role as citizens in the wider community.
- Children will develop positive and healthy relationship with their peers both now and in the future.
- Children will understand the physical aspects involved in RSE at an age appropriate level.
- Children will have respect for themselves and others.
- Children will have positive body images.

RELATIONSHIPS	EYFS	KS1		Lower KS2		Upper KS2	
	Reception	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
	<p>Work and play cooperatively</p> <p>Take turns with others</p> <p>Form positive friendships with peers and adults</p> <p>Show sensitivity to others' needs.</p> <p>Able to say what they like and dislike.</p> <p>Have a positive sense of self.</p> <p>Know some things that make them unique.</p> <p>Know some similarities and differences between themselves and their friends (eg appearance, families, religion)</p> <p>Can talk about their family and friends</p> <p>Can talk about different occupations and people that help them.</p> <p>Understand that everyone is different and be respectful of others' opinions and beliefs.</p>	<p>What they like/dislike and are good at</p> <ul style="list-style-type: none"> • what makes them special and how everyone has different strengths • how their personal features or qualities are unique to them • how they are similar or different to others, and what they have in common • to use the correct names for the main parts of the body, including external genitalia; and that parts of bodies covered with underwear are private -that family is one of the groups they belong to, as well as, for example, school, friends, clubs • about the different people in their family / those that love and care for them • what their family members, or people that are special to them, do to make them feel loved and cared for • how families are all different but share common features – what is the same and different about them • about different features of family life, including what families do / enjoy together • that it is important to tell someone (such as their teacher) if something about their 	<p>How to make friends with others</p> <ul style="list-style-type: none"> • how to recognise when they feel lonely and what they could do about it • how people behave when they are being friendly and what makes a good friend • how to resolve arguments that can occur in friendships • how to ask for help if a friendship is making them unhappy <p>how words and actions can affect how people feel</p> <ul style="list-style-type: none"> • how to ask for and give/not give permission regarding physical contact and how to respond if physical contact makes them uncomfortable or unsafe • why name-calling, hurtful teasing, bullying and deliberately excluding others is unacceptable • how to respond if this happens in different situations • how to report bullying or other hurtful behaviour, including online, to a trusted adult and the importance of doing so 	<p>How friendships support wellbeing and the importance of seeking support if feeling lonely or excluded</p> <ul style="list-style-type: none"> • how to recognise if others are feeling lonely and excluded and strategies to include them • how to build good friendships, including identifying qualities that contribute to positive friendships • that friendships sometimes have difficulties, and how to manage when there is a problem or an argument between friends, resolve disputes and reconcile differences • how to recognise if a friendship is making them unhappy, feel uncomfortable or unsafe and how to ask for support <p>how families differ from each other (including that not every family has the same family structure, e.g. single parents, same sex parents, step-parents, blended families, foster and adoptive parents)</p> <ul style="list-style-type: none"> • how common features of positive family life often include shared experiences, e.g. celebrations, special days or holidays • how people within families should care for each other and the 	<p>How people's behaviour affects themselves and others, including online</p> <ul style="list-style-type: none"> • how to model being polite and courteous in different situations and recognise the respectful behaviour they should receive in return • about the relationship between rights and responsibilities • about the right to privacy and how to recognise when a confidence or secret should be kept (such as a nice birthday surprise everyone will find out about) or not agreed to and when to tell (e.g. if someone is being upset or hurt)* • the rights that children have and why it is important to protect these* • that everyone should feel included, respected and not discriminated against; how to respond if they witness or experience exclusion, disrespect or discrimination • how to respond to aggressive or inappropriate behaviour (including online and unwanted physical contact) – how to report concerns 	<p>About the different types of relationships people have in their lives</p> <ul style="list-style-type: none"> • how friends and family communicate together; how the internet and social media can be used positively • how knowing someone online differs from knowing someone face-to-face • how to recognise risk in relation to friendships and keeping safe • about the types of content (including images) that is safe to share online; ways of seeking and giving consent before images or personal information is shared with friends or family • how to respond if a friendship is making them feel worried, unsafe or uncomfortable • how to ask for help or advice and respond to pressure, inappropriate contact or concerns about personal safety 	<p>hat people have different kinds of relationships in their lives, including romantic or intimate relationships</p> <ul style="list-style-type: none"> • that people who are attracted to and love each other can be of any gender, ethnicity or faith; the way couples care for one another that adults can choose to be part of a committed relationship or not, including marriage or civil partnership • that marriage should be wanted equally by both people and that forcing someone to marry against their will is a crime • how puberty relates to growing from childhood to adulthood • about the reproductive organs and process - how babies are conceived and born and how they need to be cared for • that there are ways to prevent a baby being made² • how growing up and becoming more independent comes with increased opportunities and responsibilities • how friendships may change as they grow and how to manage this • how to manage change, including moving to secondary school; how to ask for support or where to seek further

		family makes them feel unhappy or worried		different ways they demonstrate this <ul style="list-style-type: none"> • how to ask for help or advice if family relationships are making them feel unhappy, worried or unsafe 			information and advice regarding growing up and changing
HEALTH AND WELLBEING	EYFS	KS1		Lower KS2		Upper KS2	
	Reception	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
	<p>Manage own basic hygiene and personal needs including dressing and going to the toilet</p> <p>Understand how germs spread and the importance of regular hygiene.</p> <p>Understand the importance of healthy food choices, exercise, sleeping and limited time on screen.</p> <p>Understand importance of oral health.</p> <p>Explain reasons for rules and know right from wrong.</p> <p>Understand stranger danger (including online)</p> <p>Know how to ask a trusted adult for help and who they are; teacher, parent, policeman etc</p> <p>Know some people that help us eg doctor, dentist, fireman, policeman etc</p>	<p>what being healthy means and who helps help them to stay healthy (e.g. parent, dentist, doctor)</p> <ul style="list-style-type: none"> • that things people put into or onto their bodies can affect how they feel • how medicines (including vaccinations and immunizations) can help people stay healthy and that some people need to take medicines every day to stay healthy <p>why hygiene is important and how simple hygiene routines can stop germs from being passed on</p> <ul style="list-style-type: none"> • what they can do to take care of themselves on a daily basis, e.g. brushing teeth and hair, hand washing <p>that people have different roles in the community to help them (and others) keep safe - the jobs they do and how they help people</p> <ul style="list-style-type: none"> • who can help them in different places and situations; how to attract someone's 	<p>how rules and restrictions help them to keep safe (e.g. basic road, fire, cycle, water safety; in relation to medicines/ household products and online)</p> <ul style="list-style-type: none"> • how to identify risky and potentially unsafe situations (in familiar and unfamiliar environments, including online) and take steps to avoid or remove themselves from them • how to resist pressure to do something that makes them feel unsafe or uncomfortable, including keeping secrets • how not everything they see online is true or trustworthy and that people can pretend to be someone they are not • how to tell a trusted adult if they are worried for themselves or others, worried that something is unsafe or if they come across something that scares or concerns them • how different things help their bodies to be healthy, including food and drink, physical 	<p>how to recognise hazards that may cause harm or injury and what they should do to reduce risk and keep themselves (or others) safe</p> <ul style="list-style-type: none"> • how to help keep their body protected and safe, e.g. wearing a seatbelt, protective clothing and stabilizers • that their body belongs to them and should not be hurt or touched without their permission; what to do and who to tell if they feel uncomfortable • how to recognise and respond to pressure to do something that makes them feel unsafe or uncomfortable (including online) • how everyday health and hygiene rules and routines help people stay safe and healthy (including how to manage the use of medicines, such as for allergies and asthma, and other household products, responsibly) • how to react and respond if there is an accident and how to deal with minor injuries 	<p>how to recognise personal qualities and individuality</p> <ul style="list-style-type: none"> • to develop self-worth by identifying positive things about themselves and their achievements • how their personal attributes, strengths, skills and interests contribute to their self-esteem • how to set goals for themselves • how to manage when there are set-backs, learn from mistakes and reframe unhelpful thinking <p>how everyday things can affect feelings</p> <ul style="list-style-type: none"> • how feelings change over time and can be experienced at different levels of intensity • the importance of expressing feelings and how they can be expressed in different ways • how to respond proportionately to, and manage, feelings in different circumstances • ways of managing feelings at times of loss, grief and change 	<p>how to recognise and respect similarities and differences between people and what they have in common with others</p> <ul style="list-style-type: none"> • that there are a range of factors that contribute to a person's identity (e.g. ethnicity, family, faith, culture, gender, hobbies, likes/dislikes) • how individuality and personal qualities make up someone's identity (including that gender identity is part of personal identity and for some people does not correspond with their biological sex) • about stereotypes and how they are not always accurate, and can negatively influence behaviours and attitudes towards others • how to challenge stereotypes and assumptions about others <p>how to carry out basic first aid including for burns, scalds, cuts, bleeds, choking, asthma attacks or allergic reactions</p>	<p>how mental and physical health are linked</p> <ul style="list-style-type: none"> • how positive friendships and being involved in activities such as clubs and community groups support wellbeing • how to make choices that support a healthy, balanced lifestyle including: » how to plan a healthy meal » how to stay physically active » how to maintain good dental health, including oral hygiene, food and drink choices » how to benefit from and stay safe in the sun » how and why to balance time spent online with other activities » how sleep contributes to a healthy lifestyle; the effects of poor sleep; strategies that support good quality sleep » how to manage the influence of friends and family on health choices • that habits can be healthy or unhealthy; strategies to help change or break an unhealthy habit or take up a new healthy one

		<p>attention or ask for help; what to say</p> <ul style="list-style-type: none"> • how to respond safely to adults they don't know • what to do if they feel unsafe or worried for themselves or others; and the importance of keeping on asking for support until they are heard • how to get help if there is an accident and someone is hurt, including how to dial 999 in an emergency and what to say 	<p>activity, sleep and rest</p> <ul style="list-style-type: none"> • that eating and drinking too much sugar can affect their health, including dental health • how to be physically active and how much rest and sleep they should have everyday • that there are different ways to learn and play; how to know when to take a break from screen-time • how sunshine helps bodies to grow and how to keep safe and well in the sun how to recognise, name and describe a range of feelings • what helps them to feel good, or better if not feeling good • how different things / times / experiences can bring about different feelings for different people (including loss, change and bereavement or moving on to a new class/year group) • how feelings can affect people in their bodies and their behaviour • ways to manage big feelings and the importance of sharing their feelings with someone they trust • how to recognise when they might need help with feelings and how to ask for help when they need it 	<p>e.g. scratches, grazes, burns</p> <ul style="list-style-type: none"> • what to do in an emergency, including calling for help and speaking to the emergency services how to eat a healthy diet and the benefits of nutritionally rich foods • how not eating a balanced diet can affect health, including the impact of too much sugar/acidic drinks on dental health • how people make choices about what to eat and drink, including who or what influences these • how, when and where to ask for advice and help about healthy eating and dental care how regular physical activity benefits bodies and feelings • how to be active on a daily and weekly basis - how to balance time online with other activities • how to make choices about physical activity, including what and who influences decisions • how the lack of physical activity can affect health and wellbeing • how lack of sleep can affect the body and mood and simple routines that support good quality sleep • how to seek support in relation to physical activity, sleep and rest and who to talk to if they are worried 	<ul style="list-style-type: none"> • how to maintain good oral hygiene (including regular brushing and flossing) and the importance of regular visits to the dentist • how, when and where to ask for advice and help about healthy eating and dental care how regular physical activity benefits bodies and feelings • how personal hygiene routines change during puberty • how to ask for advice and support about growing and changing and puberty how to recognise, predict, assess and manage risk in different situations • how to keep safe in the local environment and less familiar locations (e.g. near rail, water, road; fire/firework safety; sun safety and the safe use of digital devices when out and about) • how people can be influenced by their peers' behaviour and by a desire for peer approval; how to manage this influence • how people's online actions can impact on other people • how to keep safe online, including managing requests for personal information and recognising what is appropriate to share or not share online • how to report concerns, including about inappropriate online content and contact 	<ul style="list-style-type: none"> • that if someone has experienced a head injury, they should not be moved • when it is appropriate to use first aid and the importance of seeking adult help the importance of remaining calm in an emergency and providing clear information about what has happened to an adult or the emergency services how drugs common to everyday life (including smoking/vaping - nicotine, alcohol, caffeine and medicines) can affect health and wellbeing • that some drugs are legal (but may have laws or restrictions related to them) and other drugs are illegal • how laws surrounding the use of drugs exist to protect them and others • why people choose to use or not use different drugs • how people can prevent or reduce the risks associated with them • that for some people, drug use can become a habit which is difficult to break • how organisations help people to stop smoking and the support available to help people if they have concerns about any drug use • how to ask for help from a trusted adult if 	<ul style="list-style-type: none"> • how legal and illegal drugs (legal and illegal) can affect health and how to manage situations involving them • how to recognise early signs of physical or mental ill-health and what to do about this, including whom to speak to in and outside school • that health problems, including mental health problems, can build up if they are not recognised, managed, or if help is not sought early on • that anyone can experience mental ill-health and to discuss concerns with a trusted adult • that mental health difficulties can usually be resolved or managed with the right strategies and support that FGM is illegal and goes against human rights; that they should tell someone immediately if they are worried for themselves or someone else¹
